ESG Services – ESG Rating Reports

Sustainalytics ESG rating reports for issuers

ESG Risk Rating measures the level of unmanaged risk of a company

*Each public company has access to its own self-related report only
Each public company has access to its own self-related report only.
What We Have Achieved in ESG Services

• Distributed ESG rating reports to **400** companies and proxy reports to **800** companies
• Fitch Ratings (2021) ESG Emerges as an Investment Theme in Taiwan (…managers identified external ESG ratings and data as the primary source of ESG information, such as the information provided by TDCC.)

What’s Next

• Keep developing more solutions for corporate governance enhancement
